

## **Presentation Letter**

Dear Sir/Madam,

I would like to express my interest in applying for the programmer position at your company. My name is Rui Eduardo de Sousa Heleno Ferreira and I am currently completing a degree in Computer Engineering at Universidade Lusófona de Humanidades e Tecnologia.

I am excited about the possibility of working at your company because I believe I can acquire knowledge that will be crucial for my future projects. Additionally, I am eager to evolve in my career by acquiring new experiences.

During my degree, I had the opportunity to develop technical skills in programming, system analysis, and software development, which I believe are valuable skills for your company. Moreover, I possess a strong problem-solving ability, critical thinking, and teamwork skills, which would enable me to be an excellent collaborator in your future projects.

I would love the opportunity to discuss my experience, skills, and interests in an interview. Thank you in advance for your time and consideration.

Sincerely,

Rui Ferreira.
